TOGETHER
WE BUILD A
HEALTHY COMMUNITY!

**WAYNE
COUNTY
HEALTH
DEPARTMENT**

<http://Wayne-Health.org>

MISSION

The mission of the Wayne County Health Department is to safeguard the health of Wayne County residents by promoting healthy lifestyles, protecting against environmental hazards, and preventing and monitoring communicable diseases.

ADMINISTRATIVE SUPPORT SERVICES

Administrative Support Services encompasses fiscal administration, vital statistics, facilities and human resource administration, and front-line clerical staff.

Birth/Death Certificates (after 1908) for Wayne County, Ohio, are available from our department on walk-in, mail in or online ordering basis.

Birth/death certificates for other counties must be obtained from those counties or the Ohio Department of Health.

Please visit our website or call our office for more information.
