

## 12-12-2024 WCCHCP Community Meeting Minutes

Attendance: Orrville City Mayor Matt Plybon, Orrville United Way Jenny McFarren, Rails to Trails Becky Jewell, Rails to Trails Jenni Reusser, Orrville YMCA Lindsey Baumgartner, Orrville City School District Barbara Lorson, Orrville Area Boys and Girls Club Josh Nolan, Orrville Chamber of Commerce Dan Franks, 3i Brian Reich, Anazao Community Partners Jamie Shaw, Rob Small, Wayne County Health Department Elesa Eaken.

Elesa led the meeting and opened the meeting with introductions at 5:37 pm.

We reviewed the grant details and the budget for the grant.

Elesa briefly reviewed the positives and room for improvements that the PSE assessment has brought to light.

Elesa divided the group into two groups to work together to discuss 3 initiatives/goals for both active living and healthy eating strategies for Orrville.

Teams worked for just under an hour on these tasks – with great discussions.

Both teams had similar strategies

Education to increase the communities healthy eating habits and want for better food choices.

Activities to grow a Farmer's Market attendance.

Biking infrastructure

Biking safety

Transportation

Elesa reminded the group of assets available for Nutrition Education in Wayne County including the Health Department. She also addressed the bike safety and that the Safe Communities' grant coordinator Maggie may be able to assist in this area. She will forward the groups information to her in the morning to begin working toward this goal.

After discussing the end results and thanking everyone for their work the meeting was adjourned with an invitation for all first time visitors to join us at the next partner meeting in January.

The next partner meeting is scheduled for Monday January 13, 2025 from 9 am to 11 am.

Elesa thanked everyone and adjourned at 7:15 pm.
