

Orrville Farmer's Market Agreement Form

The Orrville Farmer's Market has been created by the Wayne County Creating Healthy Communities team to encourage healthy eating for the Orrville area residents. With this in mind rules and regulations must be adhered to for the safety of the consumers and vendors. Failure to do so may result in a breach of this agreement and loss of your place in the market. You may keep a copy of this form for your records and to refer to when needed. If you have any questions, please contact the market master or the Wayne County Creating Healthy Communities Coordinator at 330-264-9590.

Safety Regulations and Rules

1. Only pre-approved entertainers who have submitted an application and received confirmation may perform at the market.
2. Entertainers may begin setting up at 11:30 am on the day of the scheduled market and must be set and ready prior to **12:45 pm** to ensure the farmer's market is ready by the start time of 1:00 pm. Unless the entertainer has a need for handicap parking we ask that front/close parking be restricted for customers. These spots may be used for loading and unloading and then vehicles need to be moved.
3. **All** entertainers are required to fill out the Entertainment Application and sign the agreement form and submit it to either the market master or to the Wayne County Creating Healthy Communities coordinator. Each approved entertainer will be sent an email verifying the approval with a sample of their entertainment badge. This badge will list the approved dates, band/artist name, and style of entertainment.
4. Entertainers are expected to conduct themselves in a courteous, respectful, and honest manner at all times. Entertainment must be suitable for **ALL** age groups and be free from explicit lyrics, profanity, sexual content, violent content, racist content, and needs to be kept to a reasonable noise level. If these rules are broken you may be asked to leave and not permitted to return. **No smoking** is permitted in the entertainment area. This area is to be kept **safe** from tripping hazards, trash, and sanitary. If using cords for electric equipment, they need to be duct taped to the ground through walk areas to ensure safety.
5. If you are unable to attend a market that you had previously committed to, please contact either the market master or the WCCHC coordinator at least **24 hours** prior to the start time. This will allow time to try and find a replacement. **No shows** may result in your space being terminated for future markets.
6. Entertainers are **not** permitted to bring animals to the market unless they have been cleared by the WCCHC coordinator or the market master. Service animals are permitted but must remain with their handler.
7. The market will take place **rain or shine**. In case of a potential extreme weather or other severe circumstances, texts, emails, and social media will be used to cancel the farmer's market. Otherwise, please plan to attend on your scheduled days or you will be considered to be a **no show**. Rescheduling dates (if the schedule allows) due to conflict, must be done in a timely fashion to allow for a replacement to be obtained (no later than 24 hours prior to market start time.)
